Birth outcomes: and interpregnancy intervals, 205–212
Births: while on Welfare, 91–100
Bradshaw, Benjamin S., 25–41
Braun, Kathryn L., 213–226
Briceno, Asdrubal, 199–204

CANADA: relationship satisfaction in a native community in, 42–54
Children: mortality among in Goa, 101–110; health of and mothers' risk of divorce or separation, 159–169
China: sex differentials in perinatal mortality in, 170–178
China: son preference and the sex ratio at birth in, 55–76
Circumcision: biocultural analysis of, 265–275
Cognitive abilities: and genetic variance in twins, 55–76
Consensual unions: and family formation in Venezuela, 1–24
Contraception: discontinuation of in six developing countries, 124–135
Contraception: unmet need for in Vietnam, 111–123

DAS GUPTA, PRITHWIS, 247–257
Dating advertisements: phenotypic assortment in, 258–265
De Wit, Margaret L., 42–54
Divorce: risk of related to children's health, 159–169

EDUCATIONAL ACHIEVEMENT: and twins reared apart and together, 55–76
Elo, Irma T., 227–246
Embree, Bryan G., 42–54

FAMILY BACKGROUND CHARACTERISTICS: and relationship satisfaction in a native community in Canada, 42–54
Family formation: and women's roles in Venezuela, 1–24
Family planning: and status of women and socioeconomic development in Bangladesh, 179–198
Fang, Xiou Ling, 170–178
Fertility: and socioeconomic development, status of women, and family planning in Bangladesh, 179–198
Finland: sex differentials in perinatal mortality in, 170–178

GENETIC VARIANCE: and cognitive abilities, 55–76
Genetic variance: and cognitive abilities, educational achievement, and occupational status in twins reared apart and together, 55–76
Goa: child mortality in, 101–110
Goza, Franklin W., 148–152
Gu, Baochang, 55–76

HAWAII: Asian and Pacific Islander mortality differences in, 213–226
Hawaii: dating advertisements and phenotypic selection in, 258–265
Hill, Robert B., 91–100
Hoque, Md. Nazrul, 179–198
Horiuchi, Brian Y., 213–226
Hussey, Jon M., 227–246

IMMERMAN, RONALD S., 265–275
Infectious disease: by race and socioeconomic status among adults in Ohio, 148–152
Interpregnancy intervals: and subsequence birth outcomes, 205–212
Izmirlian, Grant, 124–135

JAFFE, KLAUS, 199–204
James, William, 276–282
Jarvelin, Marjo-Riitta, 170–178
Joesch, Jutta M., 159–169
Johnson, Ronald C., 258–265

KALLAN, JEFFREY E., 136–147; 205–212

LICHENSTEIN, PAUL, 55–76
Liu, Peihang Peggy, 55–76
Luse, Verl O., 148–152

MACKEY, WADE C., 265–275
Marriage. See also Consensual unions.
Martin, John F., 276–288
Mate selection: and phenotypic assortment in dating advertisements, 258–265
McDaniel, Terra, 55–76
Mortality: from tuberculosis in an urban Mexican-

origin population, 25–41; of children in Goa, 101–110; by sex, age, and cause of death among U.S. adults, 136–147; from infectious disease among adults in Ohio, 148–152; effect of on working life of American men and women, 1970–1990, 153–158; Asian and Pacific Islander differences in Hawaii, 213–226; by cause among older African-Americans, 227–246
Murdock, Steve H., 179–198

Occupational performance: sex differences in, 199–204
Occupational status: in twins reared apart and together, 55–76
Onaka, Alvin T., 213–226

Pandey, Arvind, 101–110
Parrado, Emilo A., 1–24
Pedersen, Nancy L., 55–76
Ph.D.: recent dramatic increase in time to earn, 247–257
Pham, San Bich, 111–123
Phenotypic assortment: in mate selection, 258–265
Poston, Jr., Dudley L., 55–76

Rantakallio, Paula, 170–178
Rao, Saumya Rama, 101–110
Relationship satisfaction: in a native community in Canada, 42–54
Ross, John A., 111–123

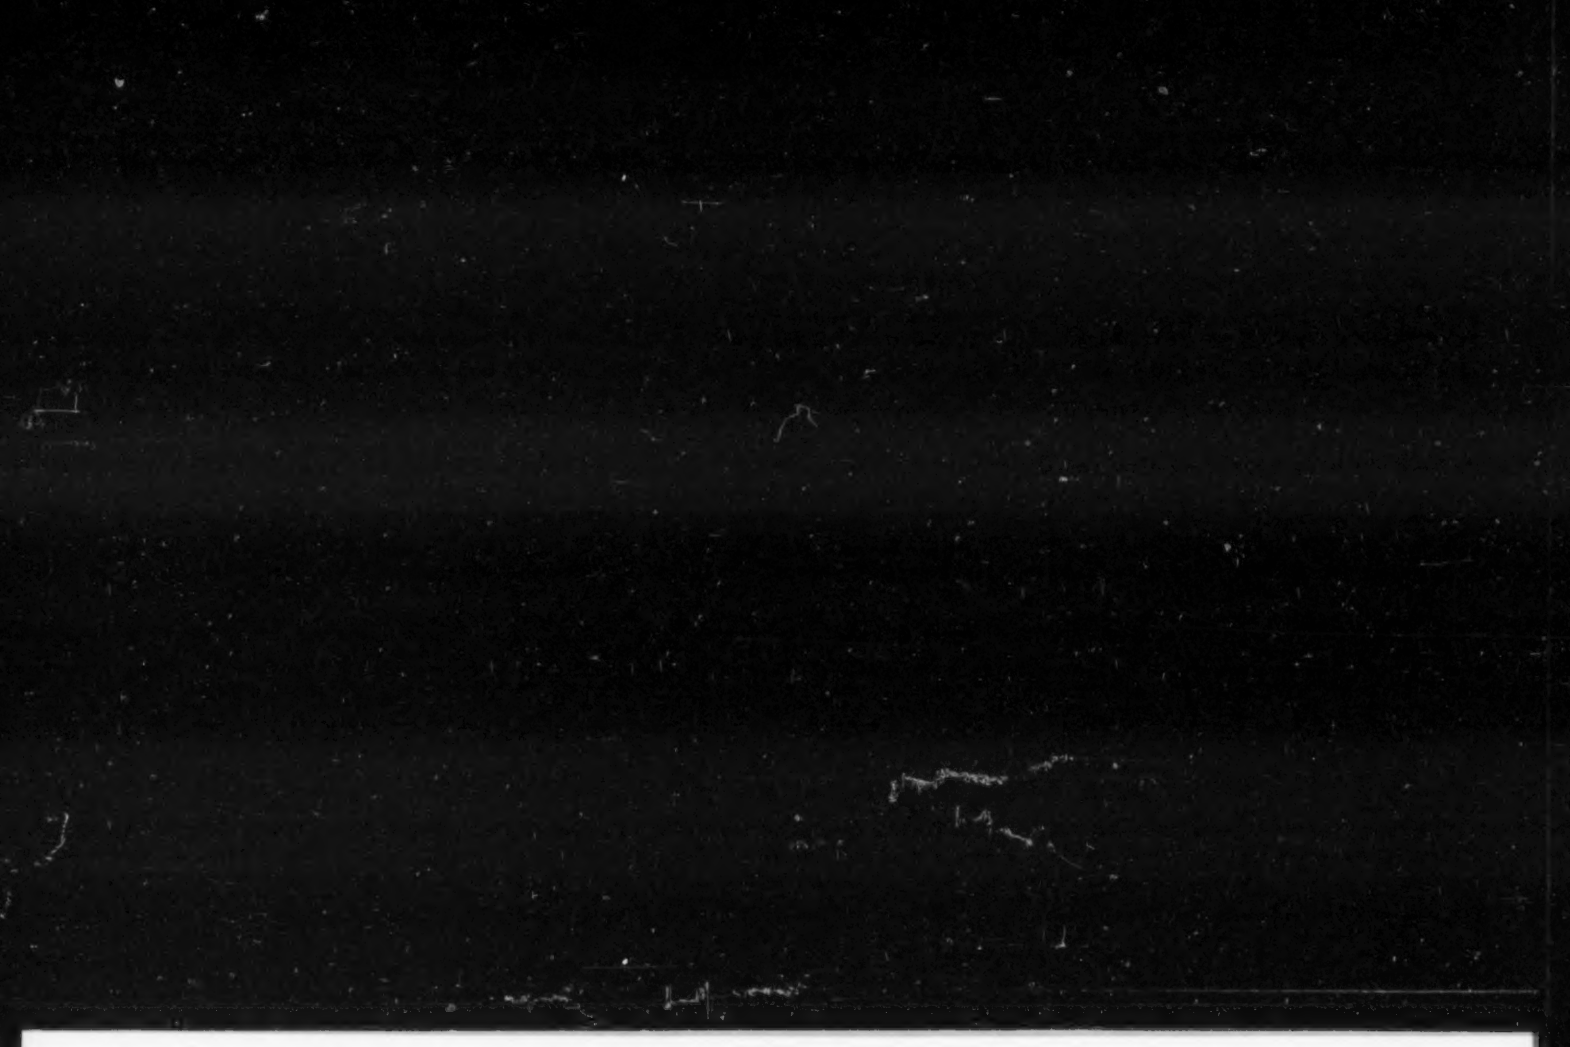
Sakai, Derek K., 258–265
Sex differences: in occupational performance, 199–204
Sex differentials: in perinatal mortality in China and Finland, 170–178
Sex ratio at birth: Martin's treatment of, 276–282
Sex ratio: and son preference in China, 55–76
Sexual abuse: and relationship satisfaction in a native community in Canada, 42–54
Shajy, K. I., 101–110
Smith, David P., 25–41
Smith, Ken R., 159–169
Son preference: and the sex ratio at birth in China, 55–76
Stewart, Susan D., 153–158
Stockwell, Edward G., 148–152
Suchindran, C. M., 124–135

Tienda, Marta, 1–24
Tuberculosis: in an urban Mexican-origin population, 25–41
Twins: genetic variance and cognitive abilities in twins reared apart, 55–76

Unmet need: for contraception in Vietnam, 111–123

Venezuela: family formation in, 1–24
Vietnam: unmet need for contraception in, 111–123

Welfare: births while on, 91–100
Women: status of and family planning and fertility in Bangladesh, 179–198
Women's roles: and family formation in Venezuela, 1–24

Xu, Baizhuang, 170–178


Yang, Haiou, 213–226
